4. Your responsibilities

This Portal will display Quotes based on the information you have provided to us that will be conveyed to the Participating Insurers. You are responsible for answering any questions and describing your own circumstances honestly and completely and to the best of your knowledge. Failure to do so may result in your insurance being invalid and claims may not be paid. If your insurance is invalid, you could be responsible for third party damage if you suffer an accident.

Before purchasing a Policy from a Participating Insurer you should read the Insurer's Terms and Conditions of business shown in the Model Policy. Your Policy wording will be similar, but tailored to your circumstances based on the information you have provided. You should not proceed unless you understand and agree with those terms and conditions. The terms and conditions of your cover will be those of the Participating Insurer, not those of this Portal which is a sales medium only. It is the Participating Insurer's Terms and Conditions of business you will be agreeing to when you accept a Quote. You will also have accepted the terms and conditions of this Portal by using it.

It is of the utmost importance that all the information provided by you via the Portal is true and accurate and you have answered all questions to the best of your knowledge. We do not accept any responsibility if you fail to provide full and accurate information via the Portal to the Participating Insurer or in any way misrepresented or failed to disclose the facts.

5. Offer and acceptance

Nothing on this Portal shall constitute or be deemed to constitute an offer by us or Service Market or by any third party to sell you any product or insurance policy or to enter into any contract with you in respect of such product or policy. By submitting your details you are making an offer to obtain the relevant Product or Policy from the relevant Participating Insurer on the Insurer's Terms and Conditions as contained in its Model Policy that may be accepted or rejected by you. The contract for the Product or Policy will only be concluded once the Participating Insurer or third party has accepted your offer. You will receive confirmation when your offer has been accepted.

6. KYC Documents

You may be required, as a condition for the purchase of a Policy, to produce and upload certain Know your Customer (**KYC**) Documents. In these circumstances your payment via credit or debit card will be released through the payment gateway only when the documents have been checked and approved.

7. Thumb Rating

Thumb Rating symbols do not constitute advice that a particular Policy is best for you or fitted to your circumstances. Our Thumb Symbol is displayed in the comparison tables against that cover which is widest and most comprehensive in the relevant category. In the price category it appears against the least expensive cover. It appears against the lowest deductible, the highest number of days for hire car provision, the highest policy limits, the highest limits for personal belongings and for medical expense cover. Otherwise, it appears where the insurer provides the cover in question. It will not attach to optional cover.

The Thumb Rating does not constitute advice or guidance that one policy is more suitable than another for you as a Customer but as an objective information aid to you in selecting which cover you wish to purchase.

8. Information

The information displayed on our Portal is provided to us direct from each Participating Insurer. We are not responsible for the content of that information which is an invitation to apply for cover made via the Portal by the Participating Insurer concerned and subject to that Participating Insurer's own terms and conditions. We accept no liability for any inaccuracy in the description of Products on the Portal.

9. Know your policy

The Participating Insurer will make your policy wording available via delivery to your **Customer Home Page** on the Portal. It is important that you read the terms of your Policy carefully and familiarise yourself with the terms of your cover, including the deductibles, limits and obligations that apply. Failure to observe the Insurer's Terms and Conditions could result in you losing or being refused cover. Please check that all the details on the Policy are correct and contact the Participating Insurer direct if they are not or you have questions.

As a Portal, we are not responsible for advising you on a Policy purchased through us and you should send all queries direct to the Participating Insurer who sold you the policy.

We do not control the special offers or price offered by Participating Insurers via the Portal, which are governed by their individual terms, and conditions and we do not accept any responsibility for any failure by a Participating Insurer to comply with its own terms and conditions.

While we try and deliver comparisons which are as widely applicable as we can, it is possible that your circumstances will be outside the standard insurance cover parameters of Participating Insurers. In this case you should contact Continental.
